

На каникулах учащиеся 7 и 9 классов пишут дневники на английском языке, как они проводят каникулы. В своих дневниках, они используют соответствующий лексический и грамматический материал. Также им предложено творчески оформить свои работы. 13.04.2020 учащиеся 9 «А» класса предоставили свои дневники дистанционно. Разбор грамматических и лексических ошибок будет проведен на первом же уроке в школе.

Вот несколько примеров дневников. **Дневник №1. Малькевич Арина**

Дневник № 2. Лукашевич Екатерина

Day 1

Today is the thirteenth of March. Today is Monday. Now it is raining. Snow. It always rains in March, summer will be soon. This day was a normal day. I went for a walk with my best friend. We went to the park. After we went to the teacher's home. We watched an interesting film and then I went home. At home, I started reading a book called "Mina". Everyone advised this book, so I decided to read it. **Book** fascinated me and I read many pages. "Well, tomorrow I will cook something. After that I'm going to have a shower, and then I'll go to bed."

Good night!

Day 2

Today is the thirty-first of March. Today is Tuesday. Now it is raining. That should have been a lesson in Polish today, but we canceled it because my brother and my mother went to Minsk. There Vlad took an exam in the Polish language. Fortunately, he passed! I'm very happy for him. Today I went for a walk too, but today I was sitting with my best friend at her house and we don't go for a walk. We cooked pancakes and watched a cartoon film again.

Today I returned home later than yesterday, because the film was very interesting and we wanted to watch it until the end. When I returned home, I immediately went to wash my hands because there's a dangerous virus called coronavirus in Belarus.

2

COVID-19 is also known and in our city and. Be careful and practice hygiene measures!

Day 3

Today is the first of April. Today is Wednesday. Now it is raining. Today I went to my grandpa's, but next time I will not be with him soon, for safety. Since the coronavirus today, I didn't go for a walk, because the weather was a bit and because of the coronavirus. If the rate of the holiday I will stay at home. So I was at home and cooked something good for my family. Then I watched interesting film. This film I really love. It is called "Good kind don't cry". This film teaches us very much. And then I continued to read a book called "Mina". Soon I will read the entire first part of this book and love the second. And soon I'm going to sleep.

Good Night!

Day 4

Today is the fourth day on spring holidays. Today is Thursday. Now it is raining. Today is a day of love and don't go anywhere. I plan to finish reading the first part of a book called "Mina". Then I will go to the cleaning all over the house. Yes, I will be taken to news, report, lessons, new pictures, cook delicious pancakes and watch TV in the evening. I don't want the holidays to end.

Today I will be interested in this cartoon all day. I'll watch the new, read on the Internet how to watch out for it, how many people get sick, and so on.

Today will be a boring day, but I'll try to somehow have fun.

Day 5

Today is the third of April. Today is Friday. Now it is raining. The weather is bad today, a strong wind blows. Today I will start reading the second part of the book called "Mina". In the morning I already read the first part, I really love it. This book is very interesting, the game of this book is fiction. In the evening I had a lesson in Polish. It lasted two hours. I especially liked the lesson, because we learned a lot of new topics. We learned new words and rules. After the Polish lesson, I started watching a series called "Survive after". Then I will read the book "A.P." Then I will start getting ready for bed. I'll go to wash my face, make a facial scrub.

Good Night!

Day 6

Today is the fourth of April. Today is Saturday. Now it is evening.

Because of the new dangerous virus I have to stay home the whole week. This situation has both positive and negative sides. For example, I have more time for reading of books, self-education and spending time with my relatives. I found time to pay attention my to my little animals as a cat and two parrots, play with my lovely dog and turtle. Before that now I have time to help my parents with different house activities as washing the dishes, house cleaning and etc. Finally, I can listen to music and watch all film for which I haven't time before.

But there is one big minus because of quarantine I can't meet my friends and spend time with them.

Day 7

Today is the fifth of April. Today is Sunday. Now it is evening. As a rule, my day starts at 8 o'clock, but today I woke up at 7 o'clock. My parents have already left home for work so I can my elder brother was alone at home. He was still sleeping. I turned to a my morning routine which includes doing morning exercises and taking a shower. After that I started to cook a delicious breakfast. It was a banana, eggs with caramel. Today was today special. After the house when my water woke up. Then we together ate but need washed the dishes and went to the living room for watching TV. We were watching the film, which is called "Law. Belarus. Citizen. From 8 PM to 9 PM. I can say that this film was really exciting. Then I decided to do my homework. My parents came home while I was reading biology. I was so involved in this subject that I didn't notice how they had returned.

13

After lunch coming, we gathered together with my friends. We were talking about weather and how then I helped my mother to cook a dinner. Today, with potatoes and long the table. The rest of the day I spent playing computer games and chatting with my friends on Telegram.
